DIVISION OF OIL
GAS & MINING

Sir:

Enclosed is page 1 of Form 3 (Rev, 1984) which is applicable to the 1985 annual report to your division.

The work on our property (ACT/045/001 & ACT/045/009) was completed for the annual assessment work requirements of the Mining Laws of 1872 and 1955.

This consisted of bulk sampling of 2 Test Pits, also maintenance of access roads to the property. These were existing roads and trails, updated with assessment work, that existed prior to the Mined Land Reclamation Act (Genevieve Atwood's pet project)

No reclamation work was done or needed

The map in your possession is applicable to reclamation status to date.

Sincerely,

Jack W. Madsen
